war endlessly tries to mask itself the myth of the heroic soldier testing his individual courage stands in stark contrast to the reality of mass anonymous death and the suppression of individual actions murder in our midst shows that this fundamental tension reached its natural conclusion in the holocaust and that disguising it has required an ongoing effort to misrepresent war and the holocaust as something other than industrial killing examining a broad range of the representations of war s horrors from scholarly depictions to those in popular literature poetry art and the movies omer bartov finds they have some things in common societies and cultures have attempted to form coherent images of horrific events to draw didactic lessons from them and to exploit them to legitimate ideological or political positions made up of interconnected essays this book is both a scholarly and an often personal and passionate examination of the emergence implementation and representation of industrial killing bartov draws out the links between recent revisionist attempts to minimize and deny the holocaust and hollywood s ongoing fascination with national socialism and hitler s final solution arguing that the modern predicament reflects the effects of the nazi genocide on current perceptions of war history and memory this book is a plea for compassion and commitment in an increasingly violent and indifferent world

includes part 1 number 1 books and pamphlets including serials and contributions to periodicals january june

nothing week is the other week following pay week when those with something left in their pockets contribute to the well being of others whose meagre income has been largely absorbed by book up or gambling set in the remote south australian township of oodnadatta on the edge of the simpson desert this enriching narrative offers a bridge into aboriginal culture following the ups and downs which typify life in that unique community a number of contemporary social and political issues are discussed in the context of a fictional five week slice of time from the third week of may through to june

rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines if the world is to know that we are christians by our love the church needs to discover better ways to live out the deep unity we share in christ as we engage with politics and our world in oriented to faith tim otto tells the story of his struggle with being gay and what that taught him about the gospel with an authentic and compelling personal voice tim invites us to explore how god is at work in the world even amidst the most difficult circumstances redeeming and transforming the church through this difficult debate with gentle wisdom and compassionate insight tim invites all followers of jesus to consider how we might work with god through these tensions so that all can be transformed by god s good news in and

marti olsen laney the introvert teams up with her husband michael laney the extrovert to offer this warm collection of tips for making the most of differing social needs and personal priorities that are common to these mixed relationships

is there a connection between what we think and how we feel does the mind talk to the body and the body to the mind what about negative childhood experiences can early life experiences impact the state of our physical mental and emotional health decades later the exciting field of psychoneuroimmunology explores the vital links between the mind and body and their roles in the development of disease current research demonstrates that our state of health has more to do with our state of mind than we had earlier believed as a registered nurse with over 25 years of experience darlene d hall has worked in a variety of settings she has encountered thousands of patients in both medical and psychiatric settings and has seen firsthand the links between the mind the body and the development of disease she also has had the unique experience of not only being a nurse but also a patient who has suffered from a variety of illnesses beginning early in life in her book mind body god connection darlene writes from her experiences as a nurse and from a personal perspective in this book she connects the dots that lead to disease and shares how she found healing mind body and spirit

from the beginning of world war ii until he left the white house in early 1961 dwight david eisenhower played a leadership role on the world stage this was longer than any american since george washington thomas jefferson and john adams his columbia presidency was part of this period yet the story has not been told scholars have repeated earlier critical contemporary assessments and largely dismissed or ignored that part of his career jacobs seeks to answer many of the open ended questions about eisenhower s tenure as successor to nicholas murray butler whom many consider the greatest university president of the century jacobs examines previously unused sources to analyze eisenhower s leadership and accomplishments his goals and intentions and whether his presidency at columbia generally considered a failure ever had a chance of succeeding this insightful well written volume covers the years that played such a vital role in dwight d eisenhower s journey to the white house jacobs reviews eisenhower s appointment as chief of staff after his return from europe after v e day and concurrently looks at columbia s difficulties in its troubled search for a president he examines the deliberations on both sides before eisenhower s acceptance of columbia s presidency and the circumstances surrounding his arrival and installation jacobs covers eisenhower s subsequent leave of absence and return to duty at the pentagon as nato

commander and the impact of his extended absence from columbia he resigned on the eve of his inauguration as president of the united states jacobs recounts the hostility of campus liberal intellectuals who had increasingly resented eisenhower s presidency and were offended by the new york times s endorsement of eisenhower over adlai e stevenson for the 1952 presidential campaign jacobs views eisenhower s years as university president as playing a significant role in preparing him for his white house years a thorough assessment of eisenhower s career on morningside heights is long overdue jacobs insights on eisenhower s presidency at columbia will be of interest to eisenhower s biographers college and university administrators american studies students and the general public curious about eisenhower s public service as a civilian before he became u s president
